and

Michigan Nurse Mapping Request for Proposal

ADDENDUM:

On page 14, Part II, Section A of the Michigan Nursing Licensure Survey and Michigan Nurse Mapping Request for Proposals, it states: Prior to submission of an application in response to this request for proposal, a “Notice of Intent to Apply” must be submitted. The deadline for receipt of a “Notice of Intent to Apply” has been extended until **June 10, 2015 at 3:00 PM**. If you have already submitted a “Notice of Intent to Apply” you do not need to submit another “Notice of Intent to Apply.”

Submission of a “Notice of Intent to Apply” is **required** to submit a grant application proposal. If an application is received by the grant application proposal deadline and a “Notice of Intent to Apply” was not received by the revised deadline of June 10, 2015 at 3:00 PM, then the application will not be reviewed or scored. The deadline for grant application submissions remains **June 15, 2015 at 3:00 p.m.**
